

4th Grade

Ms. Brunton

Supply List 2016-2017

- A backpack that will fit in their locker at school. Wheeled backpacks will fit.
- At least 20 #2 pencils. Just the yellow kind!!! Please do not purchase the sparkly, fun pencils your child is asking you to get! The fancy pencils all break the pencil sharpeners. So - please - just get a big box of plain yellow pencils.
- One pair of earbuds or headphones to be kept at school. We use these daily and they need to stay at school.
- White glue sticks - not purple, not blue, just white. If you can not find white glue sticks, just skip it.
- Scissors
- 2 Boxes of Kleenex
- Markers, colored pencils, and crayons. I will provide a shoebox for all of these to be stored in.
- PE shoes - they need to be non-marking shoes that can be kept at school for the year. They need to either be new or freshly washed. Students need them at the beginning of the year, as even when weather is nice, PE may not be outside.
- I will provide notebooks, binders, paper, composition books, and folders. It is easier if I get those things and distribute them myself.

Any other fun things your child may want to bring to school, that are not on this list, will be sent right back home. Please, just stick with the items on the list.
